

Important Housekeeping Notice

At Pegasus Leisure Group, we are undertaking a reorganisation of our venue group in accordance with Government Regulations. This is a once only change and will impact “This Venue” in 3 ways: -

1. The Gaming Room & all gaming machines will be closed on either Tuesday 7th May or Wednesday 8th May until midday.
2. On this day, Linked Jackpots will be reset to their start up values in accordance with Victorian Legislation which means a portion of the Jackpot Total will be deducted from the Jackpot Total and paid directly to the Responsible Gaming Fund as per the Government Regulation.
3. In recognition of the above Jackpot amounts decreasing, PLG will reset the Jackpots close to the original Jackpot amount to demonstrate our commitment to customer service.

We apologise for any inconvenience that these changes may cause you and will we continue to do our utmost to serve you in the best way possible.

See “This Venue” website for full detailed customer information including a fact sheet published by the Victorian Commissions for Gambling and Liquor Regulation to help explain the revised Government Regulations and answer frequently asked questions.

- VCGLR Gambling Information Fact Sheet - Jackpot Monitoring
 - A fact sheet issued by the VCGLR into the new arrangements – this is guidance for venue operators in relation to the above and for compliance

Please see the Venue Manager’s details below if you have any further queries, questions or require more information.
